9	Tuesday 29 th March 4pm – SF Canteen	TBC	TBC
Easter Holiday			

A chance to discuss careers and research with highly regarded scientists!

Great for use on sixth-form applications and personal statements!

House point for attending a talk. Attending five talks or more = first choice of the Science Week trips.

(Students will be expected to make their own way to the Sixth form canteen to register for a 4pm start.)

Any questions – email Miss Jones: L.jones@wlfs.org
