[Brook Green, Hammersmith, W6 7BS](#)

Please note there is no available parking at St Paul's Girls' School.

Please check your subject area below for the topics being discussed:

#### Careers

Topic 1:  TBC
Topic 2:  TBC
Topic 3:  WLP Careers Fair 2025 Planning

#### Learning Support

Topic 1:  Talk delivered by Clare Ward, CBT (ACT & DBT) Practitioner, Specialist Speech and Language Therapist and SEND Consultant at Special Networks. The talk will underpin reasons for and the implications of the upward trajectory of increased numbers of diagnoses. Reflect on the gap that these students are experiencing between their behaviours and the expectations/conventions of school.
Topic 2:  If going forward over 50% of the classroom was made up of neurodivergent/disabled students what would have to change?
Topic 3:  What changes can you implement now in your practice and what might the barriers be?

## Higher Education

Topic 1:

Strategies for supporting a range of competitive applications across UK, US & Europe

Topic 2:

New UCAS reference format

Topic 3:

Pastoral care during university applications & transition to university

## Welfare/Medical

Topic 1:

Severe Medical Conditions. How can we help to ensure the safety of all students – prevention and treatment.

Topic 2:

Covid- How has this affected the wellbeing of students both physically and psychologically?

Topic 3:

Supervision – is there a network in place to discuss students/ cases- can we set up a network?

## Science Technicians

Topic 1:

Training in physics

Topic 2:

Maintenance & fixing equipment (fume cupboard and pressure vessels maintenance.)

Topic 3:

Extracurricular science clubs and ideas for activities
